

Inventory Management System

Release:: This module has been created for ShopBridge Inventory Management

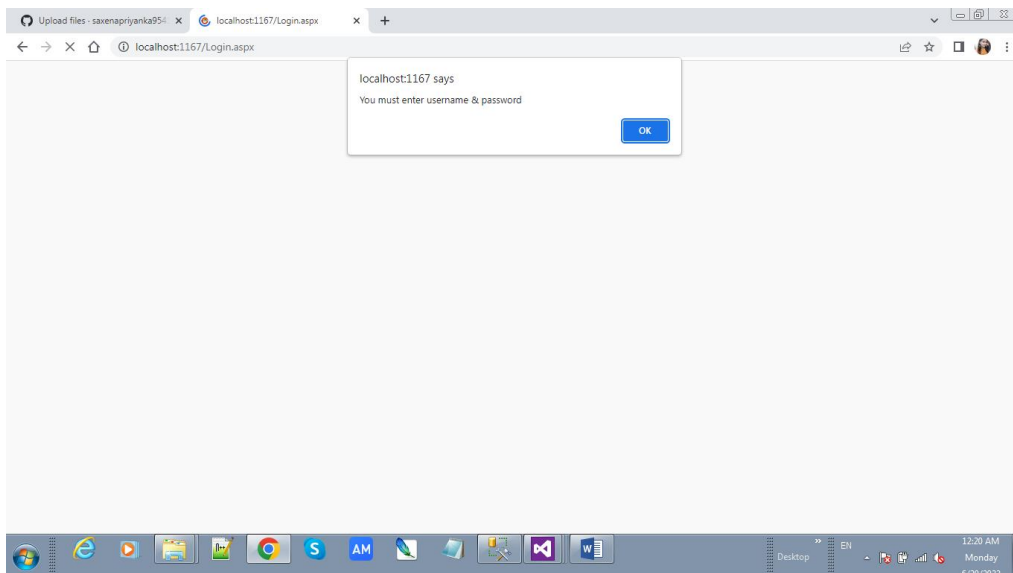

Release Date: 20 June 2022

Developed By: Priyanka Saxena

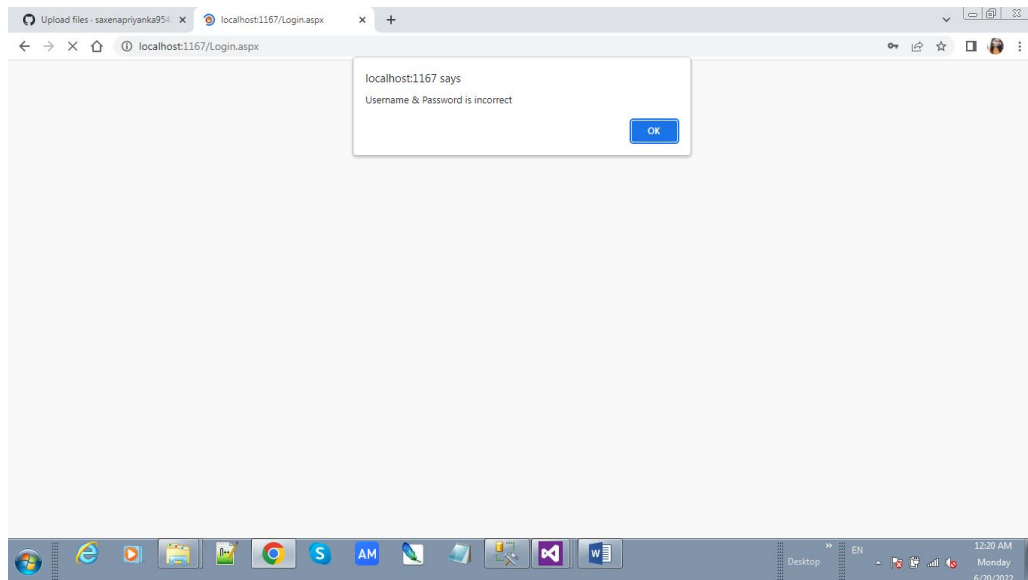

1. Login Page

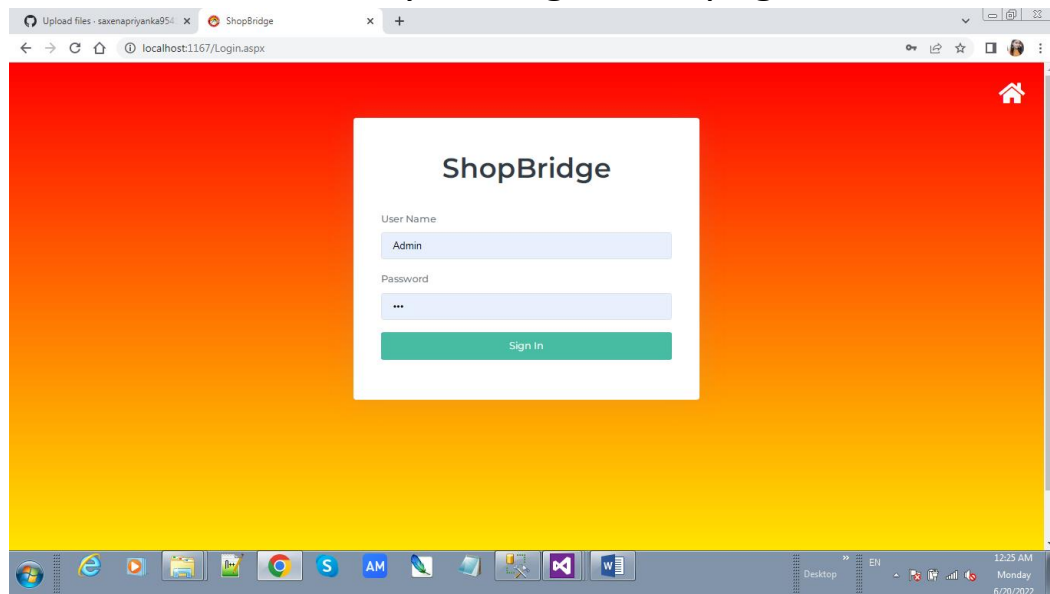

2. Enter username & password

3. Username & password is incorrect

4. Redirect to Inventory management page

5. Inventory Management page

The screenshot shows the ShopBridge Inventory Management page. The page has a blue sidebar with 'Inventory Details' selected. The main content area is titled 'Inventory Management System'. It contains a form with the following fields:

- Product Category: A dropdown menu with '--Select--' as the current selection.
- Product Name: A text input field.
- Product Quantity: A text input field.
- Product Price: A text input field.
- Product Description: A text input field.

Below the form are two buttons: 'Submit' (green) and 'Reset' (blue). Below the form is an 'INVENTORY LIST' table with the following columns: Sr. No, Product Category, Product Name, Product Quantity, Product Price, Product Description, and Action. The table is currently empty.

The browser's address bar shows 'localhost:1167/Admin/Inventory_Management.aspx'. The Windows taskbar at the bottom shows the time as 12:27 AM on Monday, 6/20/2022.

6. Validation check

The screenshot shows the ShopBridge Inventory Management page with validation errors. The form fields now have red text indicating errors:

- Product Name: 'enter product name'
- Product Quantity: 'enter product quantity'
- Product Price: 'enter product price'
- Product Description: 'enter product description'

The 'INVENTORY LIST' table remains empty. The browser's address bar and Windows taskbar are the same as in the previous screenshot.

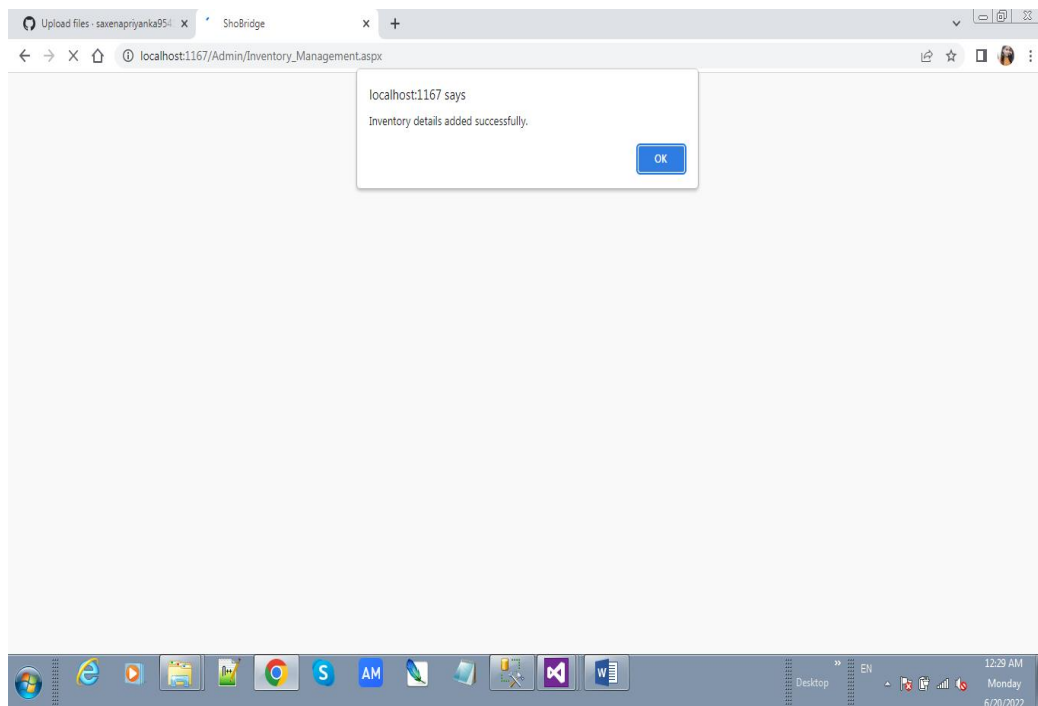

7. Submit details

The screenshot shows the 'ShopBridge' application interface. The top navigation bar is orange with the 'ShopBridge' logo and a user profile 'Admin'. The left sidebar is dark blue with the 'Inventory Details' link highlighted. The main content area is white and contains a form for adding inventory details. The form has the following fields:

- Product Category: A dropdown menu with 'Laptop' selected.
- Product Name: A text input field with 'Dell' entered.
- Product Quantity: A text input field with '4' entered.
- Product Price: A text input field with '1000000' entered.
- Product Description: A text input field with 'Good' entered.

Below the form are two buttons: 'Submit' (green) and 'Reset' (blue). Below the form is an 'INVENTORY LIST' table with the following columns: Sr. No, Product Category, Product Name, Product Quantity, Product Price, Product Description, and Action. The table is currently empty.

At the bottom of the browser window, a JavaScript console message is visible: `javascript:WebForm_DoPostBackWithOptions(new WebForm_PostBackOptions("ctl00$ContentPlaceHolder1$lnSubmit","",true,"st","",false,true))`. The Windows taskbar at the bottom shows the time as 12:28 AM on Monday, 6/20/2022.

8. View inventory list

The screenshot shows the ShopBridge application interface. The top navigation bar is orange with the ShopBridge logo and a user profile 'Admin'. The left sidebar is dark blue with 'Inventory Details' selected. The main content area has a white background. At the top, there's a form with a dropdown menu (currently showing '--Select--'), a text input for 'Product Price', and a text input for 'Product Description'. Below these are 'Submit' and 'Reset' buttons. Below the form is a section titled 'INVENTORY LIST' containing a table.

Sr. No	Product Category	Product Name	Product Quantity	Product Price	Product Description	Action
1	Laptop	Dell	4	Rs.1000000	Good	<div>Edit</div> <div>Delete</div>

9. Edit inventory details

The screenshot shows the ShopBridge application interface for editing inventory details. The top navigation bar is orange with the ShopBridge logo and a user profile 'Admin'. The left sidebar is dark blue with 'Inventory Details' selected. The main content area has a white background. At the top, there's a section titled 'Inventory Management System'. Below it is a form with fields for 'Product Category' (a dropdown menu showing 'Laptop'), 'Product Name' (text input showing 'Dell'), 'Product Quantity' (text input showing '4'), 'Product Price' (text input showing '1000000'), and 'Product Description' (text input showing 'Good'). Below these fields are 'Update' and 'Reset' buttons. Below the form is a section titled 'INVENTORY LIST' containing a table.

Sr. No	Product Category	Product Name	Product Quantity	Product Price	Product Description	Action
1	Laptop	Dell	4	Rs.1000000	Good	<div>Edit</div> <div>Delete</div>

10. Update details

The screenshot displays the ShopBridge Inventory Management System interface. The top navigation bar is orange with the ShopBridge logo and a user profile labeled 'Admin'. The left sidebar is dark blue with the 'Inventory Details' link highlighted. The main content area is titled 'Inventory Management System' and contains a form for updating product details. The form fields are: Product Category (Mobile), Product Name (Dell), Product Quantity (5), Product Price (1000000), and Product Description (Good). Below the form are 'Update' and 'Reset' buttons. A table titled 'INVENTORY LIST' shows a single product entry with an 'Edit' button. A JavaScript alert box is visible at the bottom of the form area. A success message dialog box is displayed in the center of the screen.

Inventory Management System

Product Category: Mobile, Product Name: Dell, Product Quantity: 5, Product Price: 1000000, Product Description: Good

Update Reset

INVENTORY LIST

Sr.No	Product Category	Product Name	Product Quantity	Product Price	Product Description	Action
1	Laptop	Dell	4	Rs. 1000000	Good	Edit Delete

localhost:1167 says
Inventory details updated successfully.

OK

11. Updated records

The screenshot shows the ShopBridge application interface. The top navigation bar is orange with the ShopBridge logo and a user profile 'Admin'. The left sidebar is dark blue with the 'Inventory Details' link highlighted. The main content area has an orange header with a dropdown menu set to '--Select--'. Below this is a form with two input fields: 'Product Price' and 'Product Description'. There are 'Submit' and 'Reset' buttons. Below the form is a section titled 'INVENTORY LIST' containing a table with the following data:

Sr. No	Product Category	Product Name	Product Quantity	Product Price	Product Description	Action
1	Mobile	Dell	5	Rs.1000000	Good	<div>Edit</div> <div>Delete</div>

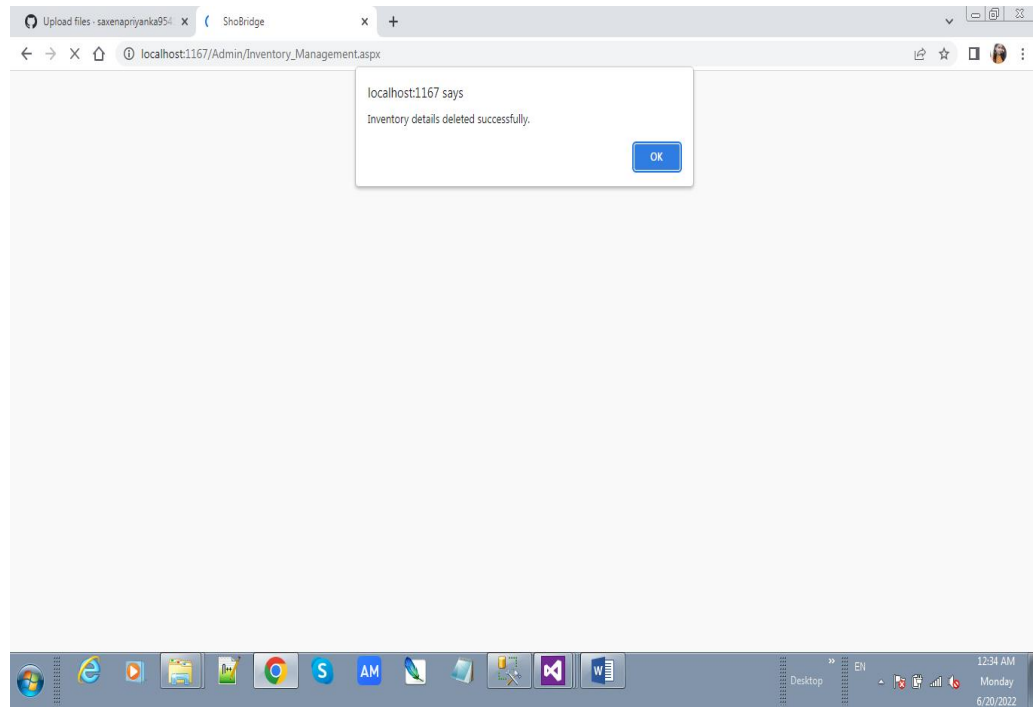

The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 12:31 AM on Monday, 6/20/2022.

12. Delete records

The screenshot shows the ShopBridge application interface with a confirmation dialog box overlaid. The dialog box has the text 'localhost:1167 says' and 'Do You Want To Delete This Record', with 'OK' and 'Cancel' buttons. The background shows the same 'Inventory Details' form and 'INVENTORY LIST' table as in the previous screenshot. The table data is identical:

Sr. No	Product Category	Product Name	Product Quantity	Product Price	Product Description	Action
1	Mobile	Dell	5	Rs.1000000	Good	<div>Edit</div> <div>Delete</div>

The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 12:32 AM on Monday, 6/20/2022.

13. Inventory details deleted successfully
